**Standard Processing**

The 10 processing days refers to processing time within the UCLA Center for Prehospital Care Office and does not account for mailing and delivery time.

Official UCLA Center for Prehospital Care transcript and verification of course completion requests are produced on embossed paper and sent through regular U.S. Mail in a sealed envelope marked “Official Transcripts Enclosed.”

Requests are not processed for anyone with outstanding obligations. All outstanding obligations (financial, administrative, or academic) due to the UCLA Center for Prehospital Care programs must be cleared before the request can be processed.

**What if my transcript does not arrive?**

If, after 20 days from the date of your request, your transcript has not arrived at its intended destination, notify us at cpc@mednet.ucla.edu.

**What is the difference between the Academic Transcript and the Verification Transcript?**

The academic transcript lists your academic record, the course sections, if applicable your grade point average (GPA), and date the course was completed.

The verification transcript is an extraction of information from your academic transcript. It does not show grades, but does include:

- Your enrollment status for your attendance
- The certificate you were awarded, including the date
- The date of your admission & date of completion

**How do I get my College Credit transcripts?**

Students who enrolled for college credit through WLAC can request their official WLAC transcripts by submitting a request to WLAC. Visit the [WLAC website](#) for instructions on how to request WLAC transcripts.

For college credit transcript for the Paramedic Preparation Program prior to 2016 visit the [El Camino College website](#) or in person at El Camino Community College Office of Admissions and Records at El Camino College, 16007 Crenshaw Blvd., Torrance, CA 90506

All efforts will be made to obtain syllabi or comparable syllabi for courses held prior to 1999.
