CFCC has teamed up with UCLA’s Prehospital Care Research Forum to offer the following class:

**EMS Research Course**

This two-day program will teach students how to choose relevant data sets, interpret them, research, and complete an actual research abstract. After two days, students will leave with a completed abstract ready for publication review.

**Date:** March 23-24, 2020  
**Time:** 8:00 am - 5:00 pm both days  
**Location:** Cape Fear Community College, North Campus, NA Building  
**Cost:** $70.00 registration fee (eligible for fee waiver), $70.00 technology fee  
**Register before:** March 9, 5:00 pm

**Educators:**

David Page (MS, NREMT-P), the Executive Director of the Prehospital Care Research Forum at UCLA, is an author and paramedic with over three decades of experience. He is a Senior Lecturer in the Department of Community Emergency Health and Paramedic Practice at Monash University, in Melbourne, Australia.

Antonio Fernandez (PhD, NREMT-P) is a Research Assistant Professor in the Emergency Medicine Department at UNC at Chapel Hill, and the Director of Research at the EMS Performance Improvement Center.

This is an amazing opportunity to learn how to conduct and publish research right here in Wilmington, North Carolina!

To register, complete the attached registration forms and email back to: rraisky@cfcc.edu. For more information, call Bob Rajsky MS Ed, NRP (910) 362-7751, or by email at rraisky@cfcc.edu.
